Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

Your manner of relating to others is open and direct, and you somehow always manage to get right to the heart of things. No sidesteps. Everyone knows where you stand because your heart is always right there on your sleeve. On meeting you, one might expect that you would seek out another no-nonsense and serious type as a mate. Not so. You find relief from your own single-mindedness with someone who is, above all, fun and easy to talk to; talk and mental stimulation are things you really enjoy. The fact that they are a bit of a lightweight, always on the move, and even a bit frivolous, doesn't bother you one bit. You're delighted.

Gemini on 7th Cusp

Above all, you have a need for partners that are bright, witty, and that like to talk and communicate. You must have mental compatibility before you get serious about someone. Aside from talking, you like others who are interested in speaking and writing.

Strengths in your relationships

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

Venus Sextile Neptune (orb: 00 36')

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Sextile Uranus (orb: 01 01')

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

Sun Sextile Saturn (orb: 01 07')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Trine Uranus (orb: 01 11')

A passionate one. You love it when a crisis emerges and threatens to shatter the normal routine, because you yearn for a chance to undergo really profound changes. You're like the survivalists who wish the world would stop pretending and get down to the nitty-gritty. Fiercely loyal, you would rather see a relationship through hell and high water than abandon it. You delight in emotional confrontation, intense conversations, and secrets of all kinds.

Venus Trine Pluto (orb: 01 48')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Sextile Mercury (orb: 02 12')

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

Moon Sextile Pluto (orb: 03 09')

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

Mercury Conjunction Mars (orb: 03 27')

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

Mars Trine Uranus (orb: 04 38')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Sextile Venus (orb: 04 57')

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Trine Pluto (orb: 05 21')

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Conjunction Neptune (orb: 05 32')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you.

You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Sextile Mars (orb: 05 39')

You value independence in others, especially a lover. They must have some unique quality for you to take an interest. Your taste in friends runs to the unconventional. You appreciate variety in all things and are delighted when a partner comes up with a new and different way to get your attention. You don't like to be tied down. You probably have a penchant for inventions, electronics, and new-age technology.

Venus Trine Uranus (orb: 05 57')

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

Mercury Conjunction Venus (orb: 07 08')

Challenges in your relationships

You think you can get around doing things as you know they are supposed to be done. These shortcuts end up costing you a lot. You also tend to bite off more than you can chew and can have a million projects going at once. You get carried away with yourself easily in arguments, and those close to you sometimes accuse you of not being entirely fair with them.

Mercury Square Jupiter (orb: 00 45')

You may squander your money, tend to expand too rapidly, do too much. Your feelings often run counter to the status quo or accepted norm, with the result that you may tend to be a bit of an outlaw. This could extend to your married life too, which might be somewhat unconventional. A stubborn streak may find you refusing to walk the straight and narrow, doing what is expected.

Mars Square Jupiter (orb: 04 12')

You may have an inordinate fear of dying or confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

Sun Square Pluto (orb: 05 32')

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Square Jupiter (orb: 06 24')

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in touch with their more serious side. Some may see you as religious or meditative.

Moon Square Saturn (orb: 07 34')

You may be somewhat of a rebel, with a history of going up against authority. You like to stand alone -- an outrider at the fringe of society -- like the old-time outlaws. You have a knack for separating yourself from the herd. You end up as the loner, although this is not always what you want. You need a partner in this life, a go-between for you and the status quo.

Sun Square Uranus (orb: 09 41')

Your Relationship with Angelina Jolie

You probably felt at home with Angelina right from the start. You enjoy doing things together. It feels natural and good. It occurs to you that this relationship could last a while. She feels almost like family and does a lot to bring out your more domestic side. The two of you might cater to the public or run a business from your home.

Her Moon in Your Fourth House

This is a true partnership -- real marriage material. When you first met Angelina, you got the message as to what marriage and partners are really all about. Perhaps for the first time you experienced what it is like to totally respond to another person. All you wanted to do was to love and care for her. Bells rang, and all of that. It had the potential for being a real initiation, a coming together. You are ready to work to keep this love together.

Her Sun in Your Seventh House

The two of you have a great rapport. There is mental kinship. In fact a talk session with Angelina almost amounts to therapy for you both. There is a real sense of mutual reflection. It would be hard for you to find a more productive intellectual companion. It is possible that you may work together in some public way through speaking, writing, investigating. A real meeting of the minds.

Her Mercury in Your Seventh House

She finds you more sexy than just attractive. You felt this quality from the first. Her appreciation for you is quite bare and direct. It cuts through words and needless explanations. You can't resist. It's as if she already knows the real you and likes what she finds. She handles the most sensitive areas of your personality without even asking your permission. She knows what to do. A very exciting condition.

Her Venus in Your Eighth House

Any relationship with Angelina is going to have real emotional overtones. She has a knack for getting you right in the pit of your stomach. It will never be dull, but it's not likely to be tranquil either. She has real opinions, and tends to push you to declare yourself and to send out roots. There is a drive to get you to settle down and make a home. She has a lot of energy behind this thought. It may be just what you need to stop postponing the domestic scene. She is a real experience.

Her Mars in Your Fourth House

She tends to lead you away from the bright lights, and shows you the value of home, family, and security. Angelina does not force this upon you. Through her you discover your own desire to just live and build a foundation. You find yourself wanting to settle in and send down roots. She is the key to your discovering these qualities in yourself. You may love to cuddle up together and count the blessings of a peaceful homestead-like existence.

Her Jupiter in Your Fourth House

It may be hard to get personal with Angelina, and this may be a toughy if you're thinking about romance. You may feel tied down and unable to work efficiently or profitably. You may lose sight of what is essential in any personal or business venture. You could accumulate debt. Not a traditional sign for a good business relationship.

Her Saturn in Your Eighth House

Angelina has the capacity for introducing you to radically new goals and groups of people. Perhaps through her you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. She has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. She is anything but boring.

Her Uranus in Your Eleventh House

You find Angelina enchanting and are easily carried away by her eloquence and non-worldliness. There is a dreamlike quality to your relationship, as if it were being somehow carried out on some higher plane. When you are together you feel a sense of unity and oneness. A lot of the pettiness of life seems to drop away. You may wonder whether this is too good to be true or if the two of you are just deluding yourselves. You may love water and the movies.

Her Neptune in Your First House

Angelina exercises a very powerful influence over you, one that could change your career. Here is someone who knows more about what you ought to be doing with your life and career than you do, and she is not afraid to let you know about it. From the first time you met, she probably jumped right into your business and started making suggestions -- and they were right on the money. The net result is that you may go through a major transformation as to what you do with your life through knowing her.

Her Pluto in Your Tenth House

Strengths in your relationship with Angelina Jolie

Angelina may be one of your most valuable assets and have a great influence on your career and life direction. Through her support you may succeed in finding solutions to many a problem. You work well together and would make good partners.

Your Sun Trine Her Jupiter (orb: 02 20')

This is a good working relationship. Angelina tends to bring a real sense of discipline and order into your life. You feel like making a sustained effort when you are with her. You can't help but support her sense for organization and order.

Your Moon Trine Her Saturn (orb: 06 19')

You understand how she feels, and you find it is easy to cheer her up and generally facilitate her emotionally. She is very supportive, even protective of you. This is a healthy relationship.

Your Sun Trine Her Moon (orb: 06 40')

You understand her emotions and like the way Angelina feels about life. She can really move you to take action and accomplish things. There could be a shared love of sports, even a competitive feeling. This could be a long and romantic relationship.

Your Sun Trine Her Mars (orb: 09 03')

You understand, and are in sympathy with, her dreams and ideals, which is very important to her. There is a sense of shared vision, and you probably both like the same movies. Her imagination complements yours. She may tend to idealize you.

Your Sun Conjunction Her Neptune (orb: 09 25')

Report for Brad Pitt

Challenges in your relationship with Angelina Jolie

Power struggles are likely, as well as harsh feelings. Your drive and ambition may tend to ignore her need for confrontation and analysis. You may refuse to face sensitive issues. This is a very emotional, and possibly explosive, relationship.

Your Mars Square Her Pluto (orb: 01 05')

She may have a tendency to throw cold water on your enthusiasms and hurt your feelings. You may not take her problems seriously enough to suit her, and she may tend to restrict your natural sense of love and appreciation. There is cold-war tension to this relationship.

Your Venus Opposition Her Saturn (orb: 01 22')

Romance aside, this is not a good combination for any business relationship. You are not very appreciative of her decision-making, and you probably seldom take her advice when it comes to career decisions. She may persevere against your best wishes, with the result that she may tend to overdue, overspend, and get carried away.

Your Venus Square Her Jupiter (orb: 01 24')

Harsh words and arguments may not be uncommon. She tends to irritate and get pushy, with the result that you may get sharply critical and say more than you intended. Your analysis of her feelings may drive her a little crazy.

Your Mercury Square Her Mars (orb: 01 50')

There may be some problems due to a lack of communication. There is an unwillingness on your part to discuss Angelina's changes (what she is going through). You may prefer not to comment on sensitive issues, instead of the constant rehash. The resulting confrontations may be hectic and intense.

Your Mercury Square Her Pluto (orb: 02 21')

She may not always think highly of you and is not afraid to let you know when this is the case. You may sometimes tend to discount what she says and squelch communication. You don't always like what she thinks.

Your Sun Opposition Her Mercury (orb: 02 34')

There may be some hurt feelings on Angelina's part because she feels unappreciated by you. You don't always give her the credit that she feels she is due. She may refuse to give you the kind of support and nurturing that you're looking for. You both tend to be at loggerheads over this.

Your Venus Square Her Moon (orb: 02 56')

It's no secret that you and Angelina can have communication problems. You may find her lack of support for what you say and think unfair and hard to accept. Yet it is a two-way street -- often your thoughts and ideas rub her the wrong way too. They are contrary to the way she

feels about things, and she finds it difficult to be encouraging at times.

Your Mercury Square Her Moon (orb: 04 12')

Your relationship can have all the humor of a "push me-pull you" comedy routine. It is surprising how the two of you manage to come up against each other time after time. If there is not an understanding of this tendency, it could end up with endless arguments and harsh feelings. It's amazing, with all the energy you both have, that you can't seem to come together very often.

Your Mars Square Her Mars (orb: 05 17')

The two of you feel a lot of attraction for each other, but often as not you end up at opposite ends of the couch. You may not appreciate her more aggressive nature or the way she acts. You may not like the way she makes you feel. She feels unappreciated.

Your Venus Square Her Mars (orb: 05 19')

Although you feel plenty of natural affinity to Angelina, there is also a tendency to bang heads once in a while. She may head off in one direction; you, in another. You will have to cultivate a sense of cooperation and understanding.

Your Sun Opposition Her Sun (orb: 06 20')

Heavy feelings and emotional drama will be a part of this relationship. You may feel that she refuses to support your life ambitions. You may find yourself hurting her feelings again and again. A stormy marriage.

Your Mars Square Her Moon (orb: 07 39')

How You Approach Relationships

You are always sensitive to others' feelings, and you pick up on even the slightest change in mood. Life for you is, above all, an experience to be lived and felt, and you find yourself sometimes up and sometimes down. You look to your partner for continual advice and guidance. You prefer a mate who is able to give you an overview or picture of what is happening. It's even OK if your partner runs a tad cool, because you tend to run a little hot... sometimes gushy. You depend on the calm, disciplined advice of a good manager -- which is what your partners often turn out to be.

Capricorn on 7th Cusp

You like a partner that is a hard worker, perhaps a little on the serious side -- a mainstay of the community. They may tend to run a little cooler than hot, and this is OK with you. You may benefit from the discipline that an older, more accomplished, life brings to you. You may have a tendency to find your partners restrictive and too serious at times.

Strengths in your relationships

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

Moon Sextile Sun (orb: 00 20')

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

Mars Trine Neptune (orb: 00 22')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Conjunction Mars (orb: 02 23')

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

Sun Sextile Mars (orb: 02 43')

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Trine Neptune (orb: 02 45')

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A

teacher, or benefactor, is likely.

Sun Sextile Jupiter (orb: 04 00')

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Conjunction Jupiter (orb: 04 20')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Sextile Jupiter (orb: 04 54')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Trine Uranus (orb: 06 28')

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

Mars Conjunction Jupiter (orb: 06 43')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Trine Pluto (orb: 06 54')

You communicate with consummate skill, and it is stimulating just being with you. Your high degree of mental concentration makes you an excellent student, able to excel in speaking, writing, and all types of communication skills. You appreciate a partner who is eager to listen to you and supports what you have to say.

Challenges in your relationships

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

Venus Square Uranus (orb: 00 39')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

Sun Opposition Neptune (orb: 03 05')

A history of insecurity, possibly fear of confrontation and of getting to the heart of things. Competitive to the point of power struggles. Frequent blow-ups. Things tend to build up to the point where you go through some big transformation and start over. Your attempts to control relationships end with your feeling rejected. A very understanding, psychologically oriented partner is in order.

Mars Opposition Pluto (orb: 04 11')

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in touch with their more serious side. Some may see you as religious or meditative.

Moon Square Saturn (orb: 04 18')

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.
